AGUA VIVA

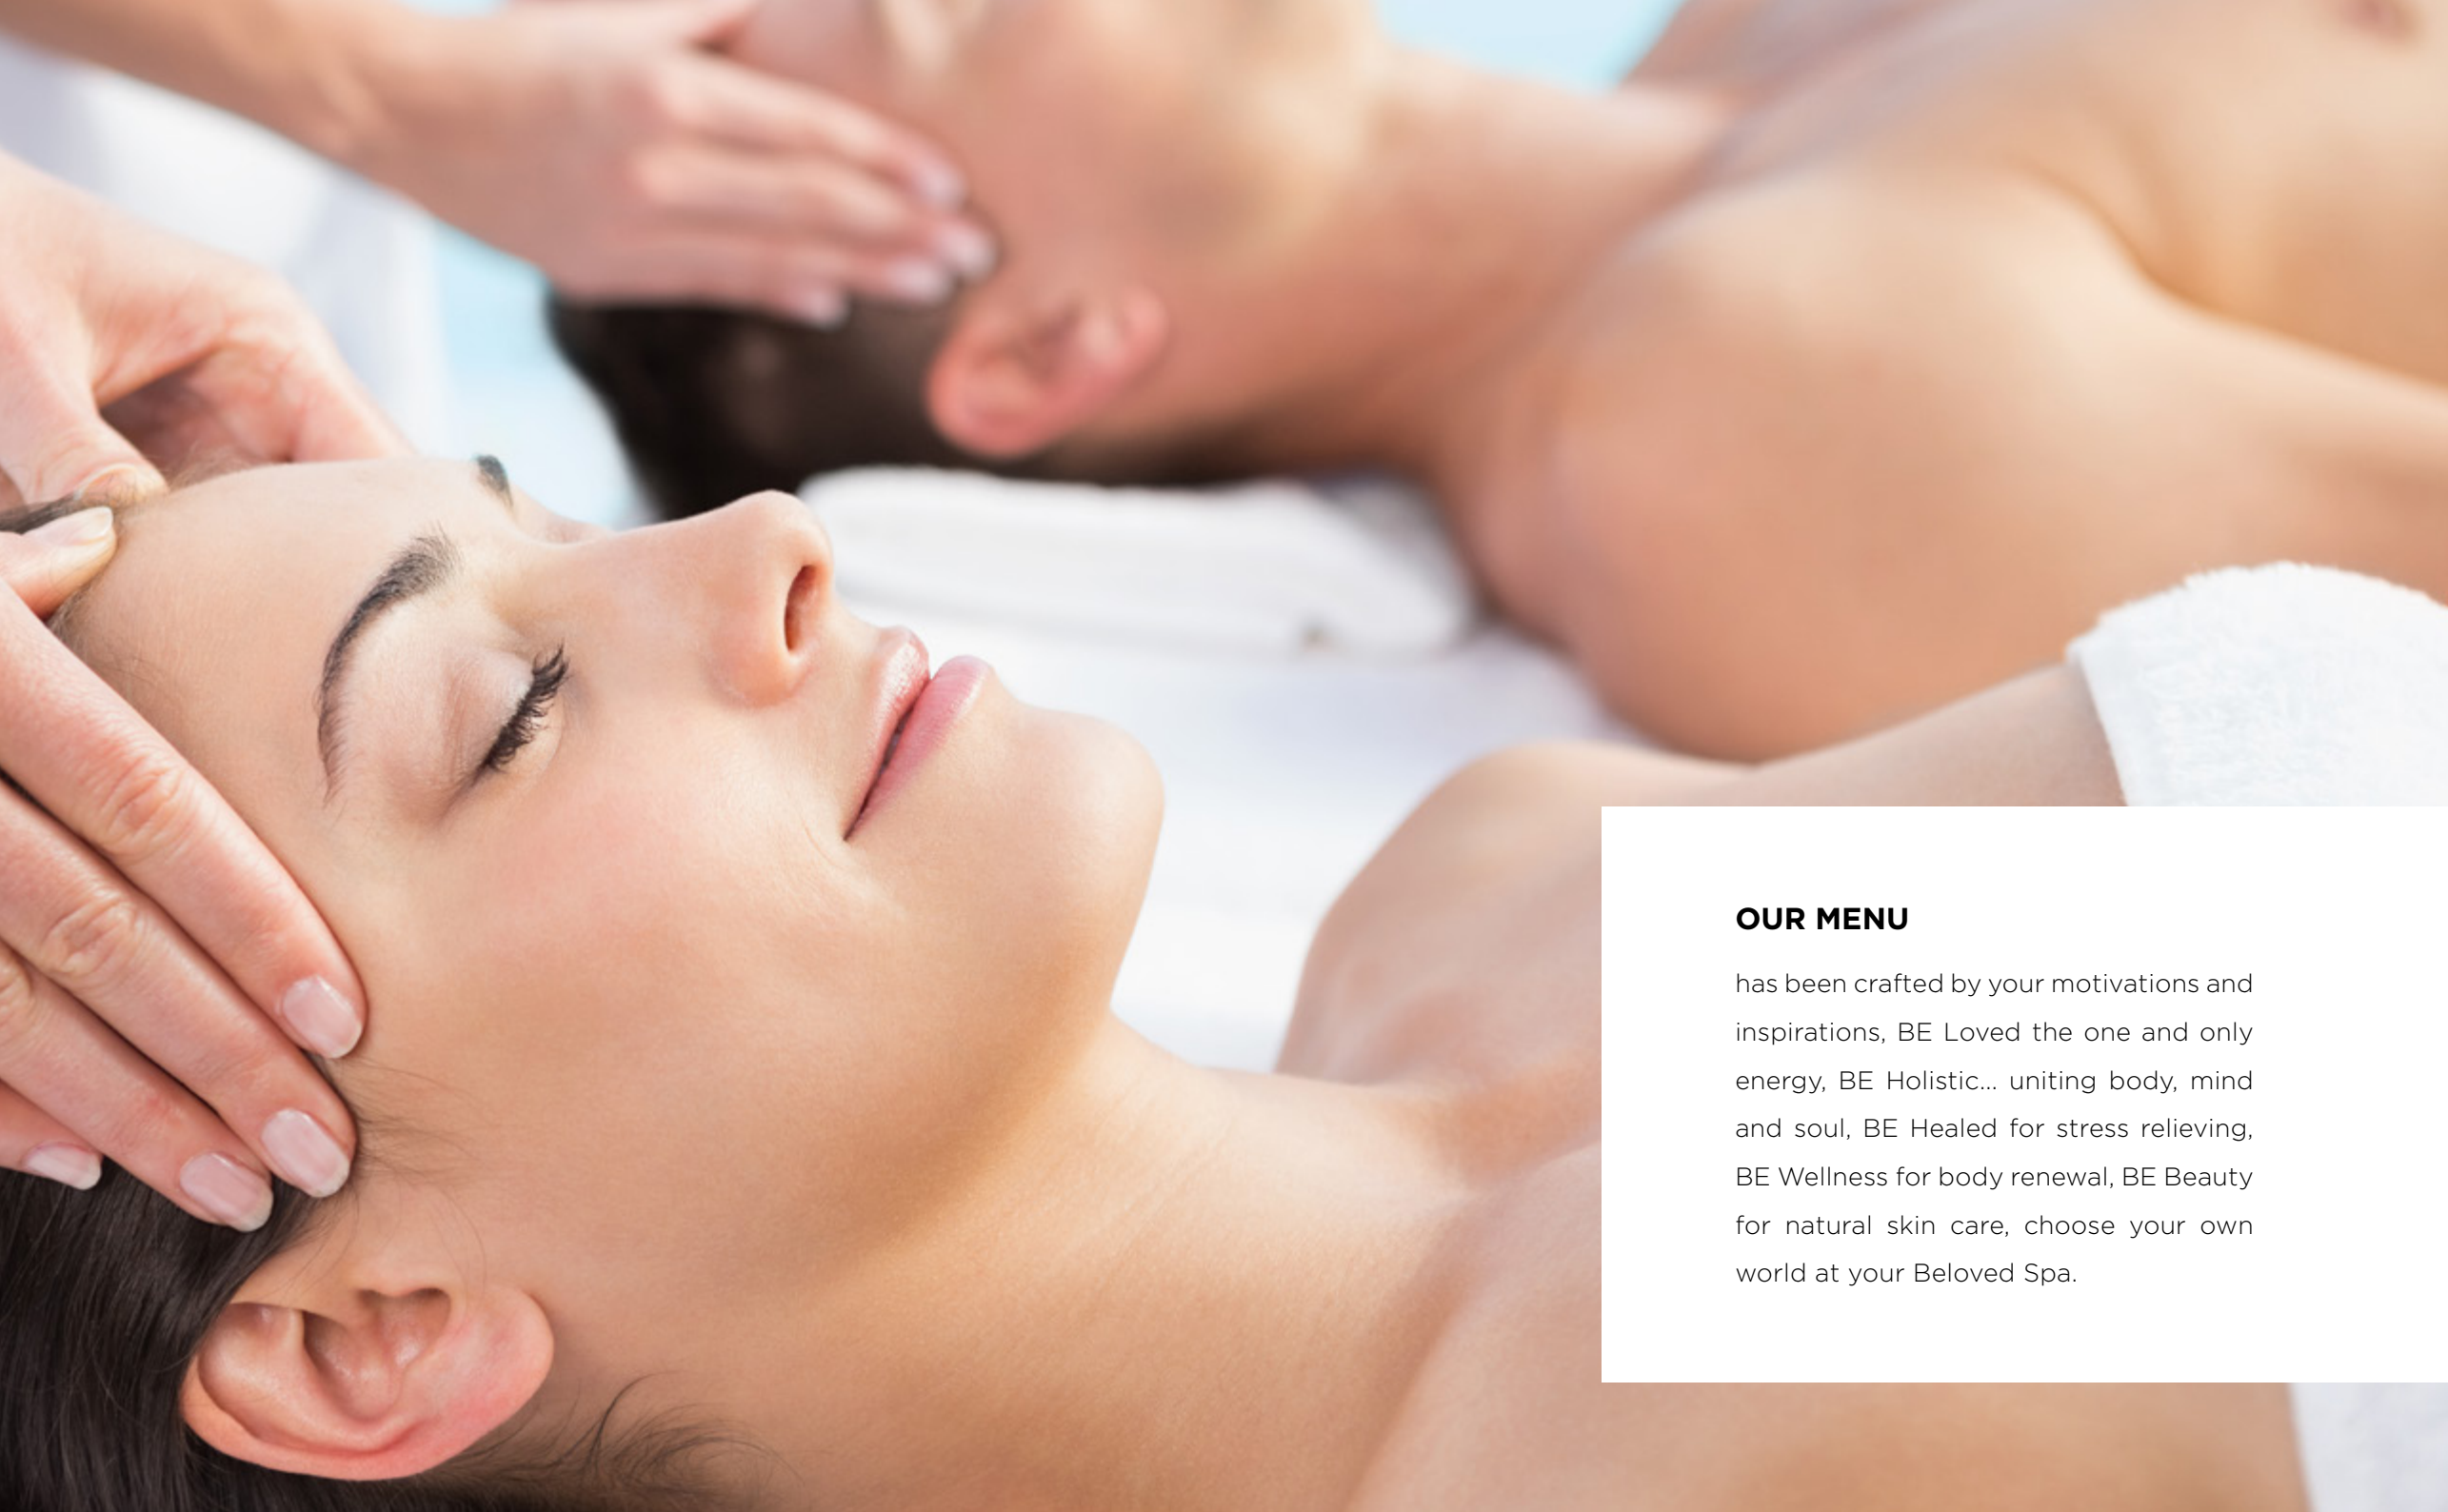

All ancient cultures knew the importance of water as an element of life... of healing.

This healing journey has given a new sense to the words agua viva: the place where life begins and within each breath there is dance between water and wind. Every heartbeat connects the spirit with the body.

During this guided circuit you will connect with yourself by awaking your senses directly with the water in aqua exercises, massages with jets and cascades, which contrast with the iced pool and make the perfect balance to the hammam and arab style steam baths.

Renew and embrace the heat of the dry saunas, refreshing ice room, biothermic and sensations showers surrounded by the most healing herbs and plants to clean and purify your body, reminding your body to vibrate as nature does.
