AGUA VIVA

All ancient cultures knew the importance of water as an element of life... of healing. This healing journey has given a new sense to the words Agua Viva: the place where life begins. You will experience a guided circuit where you will connect with yourself by awakening your senses directly with the water in aqua exercises, massages with jets and cascades, which contrast with the iced pool and make the perfect balance to the hammam. Select a body scrub to renew your skin and a mud to nurture it, while you enjoy the warmth of the hammam.

Renew and embrace the heat of the dry saunas, refreshing ice room, biothermal and sensations showers surrounded by the most healing herbs and plants to clean and purify your body, reminding your body to vibrate as nature does.

Your experience ends with the touch of a scalp and neck massage with botanical oils of your choice.
